Raffles and Side Events:

One of the raffles featured will be a Bedell Custom Spitfire Limited gun donated by Bedell Custom and Shooters's Connection with Hard Chrome by Tripp Research in a raffle to send Area 6 Juniors to Camp Shootout this year. Bring your money and help us in our effort to send some deserving Juniors to camp.

We will have two sidematches and a warmup range. The Crimson Trace 'Dark House' Sidematch will feature a low light course and a portion of the money will go to benefit the USPSA Junior Program. We will supply the guns using Crimson Trace grips and the ammo for

your shooting pleasure. The top two shooters will win a gun and a third gun will be drawn at random and given to a participant of the side match. More details at the match on additional prizes for this one!

We will also have the 'Clean Plate Club' sidematch. This one will pay back 50% to classes in each division. Details at the match!

Match Format

The match will be a Tournament level match. Scores will be posted on the Match Web Site (www.uspsa-area6.org) at the end of each day. Final match results will be posted on the Match web page, as well as on the USPSA web site (www.uspsa.org).

Awards

The amount of each award and the number of awards per class will be solely contingent on the overall number of paying shooters and the number of paying shooters per class.

A competitor may receive all trophies, which he or she merits, however a competitor is entitled to only one (1) money award. For instance, if a competitor places first A Limited and High Senior champion, he would receive the higher of the two cash prizes, but not both. The cash not awarded because of multiple winners will be returned to the pool for all prizes in that division. The total amount of cash awards for each division will be based upon the number of competitors in that division. It is likely that a class winner in one division may receive more than the same class winner for another division.

All class and category winners, as well as division winners, will receive a plaque, in addition to the money award. All awards of money will be made in the 5 Divisions (Open, Limited, L10, Production and Revolver) as listed in the match booklet.

Match Host Hotel

The match host hotel is the LaQuinta Inn in Conyers, Georgia. Phone number is 770-918-0092. Please be sure to ask for the Area 6 USPSA Championship to receive discounted rates of \$73 Dbl and \$79 King. There are a limited number of rooms at the LaQuinta. Another host hotel that we have used in the past is the Holiday Inn at West Avenue (770-483-3220) also in Conyers, but 1 exit west of the LaQuinta Inn. The rate is comparable and you will need to ask for the code 'IPSC' to receive their discounted rate. South River Gun Club is in between two towns and about the same distance from each. McDonough Georgia is off of I-75 South from Atlanta and Conyers Georgia is off of I-20 East from Atlanta. Either town has good lodging and restaurants.
